

CROSS ROADS ESCAPE GAMES

TEAM BUILDING INFORMATION

WANT TO BE THE COOLEST BOSS AND WANT YOUR EMPLOYEES TO WORK BETTER AS A TEAM?

In an escape game, players must work together, communicate, and think outside the box to overcome obstacles while having fun working under pressure. Along with this thrilling real-life adventure game, we are the only escape game to offer a private space after the game for players to talk about their experience.

WHAT GAMES DO YOU HAVE?

The Hex Room is our horror-themed game for 5-10 players. The group will be divided into different rooms where they have individual tasks they must complete. Although the group is physically divided, there are obstacles along the way that must be overcome as a team.

The Fun House is a topsy-turvy experience for 3-8 players. It's filled to the brim with laughs, mystery, magic, and excitement! The light-hearted nature of the game makes it ideal for beginners, full of puzzles that allow groups to work together or break into smaller teams.

The Weeping Witch is a terrifying game for 4-8 players. Complete spells and rituals to banish an evil spirit and rid your family of your curse before the witch consumes your soul. Recommended for ages 14+.

PRIVATE LOUNGE RENTAL & CATERING

Cross Roads Escape Games offers a beautiful lounge that is a comfortable, private space where your group can unwind and talk about their experience. **Along with the lounge rental, we can provide cups, plates, napkins, utensils, and even take care of clean-up. The lounge comfortably holds 11 maximum.**

Lounge rental: \$50 per hour. 1 hour minimum.
Includes cups, plates, napkins, utensils, and clean-up.

Catering: Outside catering is available with the rental of our private lounge. It is the guest's responsibility to order and arrange. Alcohol is not allowed on the premises.

HOW MANY PEOPLE CAN YOU ACCOMMODATE?

Our game maximums are very strict. The phrase "too many cooks in the kitchen" is a perfect example. When there are too many players in a game, communication gets difficult, people get confused, left out, and frustrated. In order for your team to have the experience it deserves, we have a maximum number of participants allowed inside a game at once.

We can accommodate groups of up to 26 at once split into three different games: 10 in Hex Room, 8 in Fun House, and 8 in The Weeping Witch.

We can still accommodate groups larger than 26, but they would have to be spread out into different time slots. More information on accommodating a large group can be provided upon request.

WHAT ARE YOUR PRICES?

Price per person: \$38-\$40 per person.

Large groups may qualify for a discount.
